There were no comments from the public as there were no guests in attendance.

NEW BUSINESS

Sheila mentioned we had received a phone call from a dog therapy group who wants to hold a pet Easter egg hunt at Lions' Lake either on March 31st or April 7th. She explained we had discussed proper clean up and Dave expressed the facilities would be open. Various questions were asked regarding what type of animals would be involved. The Board requested a few more details regarding the request.

Sheila said she brought to the meeting the bike rack that was donated. She explained she had talked to Dave about an appropriate place at Lions' Lake to put the rack where it would be most practical. She said they were discussing concreting it in so it cannot be removed.

Pertinent Issues

Sheila reported two athletic sports agreements were returned. Ebenezer Baseball and Union Canal Soccer both signed and paid their fees for 2012. She further reported all but one key had been returned and that organization which has paid will not receive any other keys until that particular key is returned. She explained she sent their signed agreement back to them explaining that stipulation.

OLD BUSINESS

Park Project

Sheila reported Dave received the building permit for the park project. She mentioned Dave has been working on preparations so they can get started in the spring. She said she has received some information on the Frisbee golf. She explained the first thing to be done will be running the utilities. She further reported Dave is getting bids for the block laying and various other things. There was discussion and questions were asked about grants and fees in lieu of.

Pertinent Issues

Sheila mentioned there is still an open position on the Parks and Recreation Board and that if they know of someone in the community, or in the sports organizations that may be interested please contact her. She said if not they may need to place a request in the newsletter.

With there being no more business brought before the Parks and Recreation Board the meeting was adjourned at 7:25 P.M.
