COMMENTS FROM THE PUBLIC

There were no comments from the public this evening.

NEW BUSINESS

Park & Recreation Comp. Plan Study Group

Discussion included several names and addresses of NLT residents that contacted the office to participate in the study. It was decided that we would update the website and another announcement would be read at the Supervisors meeting in order to give the public one more chance to respond and to let others know that we do have a list of volunteers.

Pertinent Issues

A representative of the Girl Scouts contacted us. A Countywide sign-up day to generate interest is being planned for Saturday Sept. 10, 2005. The scouts requested the use of the open-air pavilion and possibly the rental pavilion at Lion's Lake. The Board agreed that

since there were no rentals, and it was for a good cause, we could donate the use of the pavilions for that day and place a "reserved" sign on the pavilions.

The fees in lieu of expenditures and contributions were discussed. It was again reiterated that in reviewing the Park & Rec. Plan for the future, we'd like to consider these fees be used for maintenance items in the parks as well as new projects.

In reference to last month's meeting and the bathrooms at Long Lane, member Smith did make contact to the representative in charge.

OLD BUSINESS

Gazebo delivery

The gazebo was delivered and is at the Lake.

Walking Path at 8th Avenue

The bid documents are ready to go for the walking path; however, we need to wait for the paperwork from DCED before we can begin advertising.

Pertinent Issues

We will plan a time for pictures with Sam Snyder and his wetlands sign.

There is nothing new to report on the building expansion.

INFORMATION ITEMS

With there being no more business brought before the Recreation Board, meeting was adjourned at 7:30 P.M.

Respectfully submitted,
