NEW BUSINESS

Chairman Ebersole said he would like to thank the people who have donated playground equipment and if anyone knows them, please thank them personally. Sheila sent a letter thanking them. Clyde proceeded to read the letter to the Board.

A question was posed regarding swings, sliding board, and climbers that were a concern at the old Ebenenzer School to which Sheila replied they were going to be taken care of by Dave. We have received the picnic benches which were ordered. Discussion followed on the parking lot at HDC, and the upgrades to the John Lyter field. Regarding the dugouts at the middle Township field, it may be possible to only do one because of costs and budget concerns. Sheila also reported a problem during the heavy rain that the ball field behind the municipal building were flooded.

Pertinent Issues

There were no pertinent issues.

OLD BUSINESS**Study Group for P & R Plan Update**

Sheila reported she had placed a blurb on the website requesting volunteers. However we had another volunteer, Corey Hetrick on Jay Street. Cheri will read a small blurb at the next Board of Supervisors meeting on August 15th. DCNR is looking for a few items to tie everything together and then we will get our study group together and hopefully by fall we can begin.

Walking Path at 8th Avenue

Sheila stated she is waiting on paperwork and the Solicitor has advised not to put the bid out until we receive the paperwork.

Pertinent Issues

Sheila reported there is no time frame for the building expansion to begin.

Sheila requested that the Board get a picture of Sam Snyder with the members at Lion's Lake for the fall newsletter.
