There were no comments from the public this evening.

NEW BUSINESS

Fire Company Use for Old Ebenezer Days

The open-air pavilion at Lion's Lake will be used for an outdoor concert on Sept. 11, 2005. No electricity will be needed from the Township, as a neighbor will provide it. The Board of Supervisors will approve this event at their meeting held tonight.

Pertinent Issues

We had a request to hold a children's event at the Long Lane sports area; however, the interested party has given no new information.

OLD BUSINESS

Study Group for P & R Plan Update

Another resident, Charles Allwein from 1806 Martin Drive, responded to the request for participants in the Park & Recreation Comprehensive Plan. This additional volunteer will bring the count to 6 volunteers. The Board discussed that they would like to recommend all 6 serve on the committee.

MOTION: A motion was made and seconded to make a recommendation to the Board of Supervisors to appoint all six volunteers to serve on the committee. The 6 being: Skip Hetrick, Constance Snavelly, Beth Kopicki, Gerry Weise, Cory Hetrick and Charles Allwein.

Pertinent Issues

We have still not received any check or information from DCED regarding the walking path.

One dugout has been completed at the Township field. Due to rising costs, there was only enough in the budget to do one dugout. It was suggested that perhaps the Union Canal organization would like to help to complete the other dugout.

The concrete work and block was done at the Long Lane sports area.

INFORMATION ITEMS

The building expansion is scheduled to begin in September or October of 2005.

With there being no more business brought before the Recreation Board, meeting was adjourned at 7:20 P.M.

Respectfully submitted,

Recording Secretary
